Explanatory Note

(This note is not part of the notification, but is intended to indicate its general purport).

In the Special Rules for the Kerala Engineering Subordinate Service (Electrical Branch), one of the qualifications prescribed for the categories of Assistant Engineer and Overseer I Grade and Overseer II Grade, is the "Certificate in Electrical Engineering after undergoing a course of two years". The Director of Technical Education has pointed out that the qualification mentioned above is not quite clear since the Institutions recognised by Government for conducting courses in Electrical Engineering are not authorised to conduct examinations and issue certificates. Hence he is of the view that the certificates issued by such Institutions are not acceptable. It has also been pointed out that since the examinations are to be conducted and certificates issued by the Commissioner for Government Examinations, the Special Rules mentioned above are to be amended suitably.

Government propose to amend the Special Rules of the Kerala Engineering Subordinate Service (Electrical Branch) specifying that the examinations are to be conducted and certificate issued by the Commissioner for Government Examinations.

This notification is intended to achieve this object.
